Dedication

We proudly dedicate our 1963 Chief to Miss Evelyn Gosciej for the many favors she has cheerfully done for the students of Mosinee High School.

Evelyn has been Mr. Phillip's secretary and Activity Fund Treasurer for three years. She has always managed to run the office smoothly and handle problems with a smile.

C. P. PETERSON

It is a coincidence that the richest, most powerful nation on the face of the earth is the only one to have afforded free, universal, public education through the high school years? We think not.

We hope that, as you read these pages, you will breathe a silent prayer of thanks for the pleasure and profit you have had as a gift from other generations. We hope that you, too, in your turn will resolve not to break or weaken this mighty foundation for America's future strength.

C. P. PETERSON, SUPT.

The school year 1962-63 has been a very eventful one in the lives of the students of Mosinee High School. It has meant many things to many people. Has it been a successful year for you? Each of us must answer this question according to the dictates of his conscience. Each must answer as an individual, not as a member of a group, organization or class.

The experience gained through assuming responsibilities in class rooms and school organized activities will be of great value in the years ahead. We hope you will be able to look back at 1962-63 as a year of much value for yourself, your school and community.

H. PHILLIP, PRIN.

Activities

Rick,

Well! eleven years have gone by as fellow classmates together. We've really had some good times together. Remember the fun at Goodale, Rocky Ridge Hall? and at Poplar Bluff? I'll never get over the shock of you dancing. English sure was a riot as well as was Geometry.

Keep up the good work Rick & don't forget to study next year. Best of Luck in the future to a great guy who is a nice Rocky Ridger

A friend,
Jeannie.

We, the Seniors of M. H. S., who are about to depart into the world from the school which became a big part of our life, would like to think that although we will be out of sight, we will never be out of mind and heart. Our footsteps will be echoing for the last time in these halls which have held so much for us. Many are the pleasant memories of our youth which will never be recaptured. Our school years have held joy and sorrow, sunshine and clouds, but the good has outweighed the bad by far and we will always remember these golden moments. The halls of M. H. S. soon will be silent, having echoed their last to some and not to echo for months for others. Yes, the students, a year older and perhaps a year wiser, bid a fond farewell to thee, dear old M. H. S.

Sure was swell having a locker near yours. I really am sorry I slamed and locked your locker all those times. But you never got mad - did you? Ya, May be I shall see you during this summer at those places you mentioned - especially Starlite or Cloverleaf.

Take it easy this summer and please give the girls a chance.

About that swim, we just wouldn't get along for I know how to swim. Catch?? But if we were at the gravel pit - ah, forget it!

Best of luck to one who deserves it.

Take it easy on Sandy.
